

Talent Show Results

Wave 9 Aug 1984

A very enthusiastic large crowd attended the Wasatch County talent show.

Tom Beck, of KSL Radio was his usual entertaining self as master of ceremony. He kept the show moving along with his humorous comments which were enjoyed by all.

The judges, Jeannie McGuire, of SLC; Joan Lacombe, of American Fork; and Dean Pace, of Morgan; had the difficult task of deciding on the winners. They made the comment that the talent in all divisions was excellent.
